

Q3 2021 I will change my channel name from “Ceramic X” to “c00lB055 ” since I met c00lmast3rr.

Dec 2021 I will make my first video under the c00lB055 branding

Later in Dec 2021 I will make my first real serverside and since I am lazy I will use LewdHub FE’s ui and name

Jan 2022 I will upload my first serverside video on lewdhub

Mar 2022 I will make it a backdoor not a require

Later in Mar 2022 I will make a nekohub script since c00lMast3rr (Debby) made one and got hella views and beg him to showcase it

---

Future plans:

Private all my neko video because I will get in drama for in dec 2022

Revive RainHub in feb 2023

Flesh out rainhub v2 (codename Stellar2) in mar 2023

Make codeName Stellar3 in jan 2024

Release codeName Stellar3 (RainHub) during christmas 2024

Start to move my other channels away from the c00lB055 branding in 2025 - 2027

2028 c00lB055 will be fully removed from all my channels

2029 nothing

2030 c00lB055 will be renamed to something like “CB Scripts”

2031 nothing
